www.linkedin.com/in/thanhtran-me

Data-driven Demand Generation marketer with 5+ years of experience building and executing integrated B2B campaigns across paid media, lifecycle marketing, ABM, and marketing automation. Hands-on experience connecting campaign strategy with lead scoring, routing, attribution, and sales activation to generate and accelerate pipeline. Proven track record of partnering directly with fast-paced sales teams to align campaign strategy, accelerate pipeline flow, and scale go-to-market programs.

PROFESSIONAL EXPERIENCE

Account-Based Marketing Specialist, WillScot Mobile Mini, Scottsdale, AZ

November 2024 – Present

- Own end-to-end strategy and execution of integrated demand generation and ABM programs across Enterprise, Strategic, and Key Accounts, influencing \$18M+ in pipeline and contributing to 15% YoY pipeline growth.
- Design and launch multi-channel campaigns across email, paid social, programmatic advertising, and sales activation, increasing target-account engagement by 23%.
- Manage \$400K annual paid media budget across programmatic and paid social, utilizing Demandbase Ads, DV360, and LinkedIn to drive targeted ABM campaigns and maximize pipeline impact.
- Partner directly with Enterprise, Strategic, and Key Account Sales teams to align account prioritization, campaign messaging, buying signals, and activation strategies with pipeline needs.
- Build and scale ABM frameworks, including account segmentation, engagement scoring, and multi-touch journey orchestration, supporting 7000+ target accounts across Enterprise segments, adding \$3.7M accelerate revenue to pipeline YTD.
- Led a targeted campaign to reactivate low-scoring accounts, generating 28+ qualified opportunities and \$37,000 pipeline from previously inactive accounts
- Built and launched a comprehensive sales enablement program, equipping reps with data-driven account intelligence, custom campaign playbooks, and personalized outreach assets to accelerate pipeline conversion.
- Collaborate cross-functionally with Product Marketing, Field Marketing, and Sales leadership to drive aligned go-to-market execution.
- Analyze campaign performance and account engagement data to optimize targeting and channel mix, improving email open rates to 35% and CTR to 6%
- Develop dashboards and reporting in Salesforce and marketing platforms, increasing visibility into ABM performance and attribution, and enabling data-driven decision-making across teams

Demand Generation Marketing Coordinator, Innovid, New York, NY

June 2022 – November 2024

- Managed hands-on demand generation programs across paid search, paid social, email, content syndication, landing pages, and lifecycle marketing to drive qualified demand and pipeline.
- Built and optimized lead scoring, routing, qualification, and nurture workflows in Marketo and HubSpot, improving funnel efficiency and sales readiness.
- Collaborated with Sales and ISR teams to build targeted audiences for ABM strategy, creating highly focused campaigns for targeted accounts, which resulted in a 40% increase in the Lead to MQL conversion rate.
- Owned strategy and execution of Innovid's always-on paid search program, using continuous testing and optimization to increase website traffic by 35%, qualified leads by 20%, and deliver 3.21x ROI.
- Created, managed, and analyzed comprehensive campaigns, ad hoc, and pipeline reports, generating actionable insights that kept the team aligned with goals and played a pivotal role in driving data-driven decision-making across all marketing initiatives.
- Developed and implemented data visualization dashboards integrating data from Salesforce, Marketo, Sisense,

Looker and Google Analytics 4, tailored to executive-level decision-makers and cross-functional teams, making data more accessible and actionable for all stakeholders and enhancing their ability to quickly derive insights and drive informed business decisions.

- Maintained database health and advanced segmentation across 50,000+ contacts to ensure hyper-targeted campaign messaging and improved lead quality.

Business Analyst Intern, Greater Phoenix Economic Council, Phoenix, AZ

January 2022 – June 2022

- Quality-controlled and generated 700+ targeted account profiles weekly in Salesforce CRM to expand sales outreach pipelines.
- Analyzed traffic trends in GA4 to optimize digital campaign positioning and report social media performance metrics.
